Young at Heart (2007)

June 5th and 6th at the Kitchener City Hall
Council Chamber at 2:00 PM

This film documents the true story of the final weeks of rehearsal for the Young at Heart Chorus in Northampton, MA, whose average age is 81, and many of whom must overcome health adversities to participate. Their music is unexpected, going against the stereotype of their age group, performing songs, for example, by James Brown, and Sonic Youth. Although they have toured Europe and sang for royalty, this account focuses on preparing new songs, not an easy endeavor, for a concert in their home town, which succeeds in spite of several real heart breaking events.
